Introduction

WestPoint Energy Resources, Inc., was formed in 2012, a *WestPoint Industrial Sales Co., Inc.*, sisters company, in the response to the growing demand for back-up solutions. We devote ourselves to satisfy and meet the multi-form requirements of the market.

Our company supplies equipments such as *Generator Sets*, components and services in *Prime and Standby Power*, as well as auxiliary power to meet the needs of a diversified customer base. Our product includes *Cummins, Perkins*, and other diesel engine Brand. *Powered by Stamford, Leroy Somer* alternators from *10kVa to 2500kVa (2.5MVA)*. Other engine and alternator brands are also available. We also offer *Automatic / Manual Transfer Switch* product lines for use in switching power between two services and with the needs of your application.

A key component of the company's strategy is to continue to add to its ever-increasing product line which currently includes for residential, commercial, and industrial generator sets. Our products have been broadly used in all kinds of fields such as *Water Pumps, Poultry, Manufacturing Plants, Power Stations* and *Petroleum Platform, etc.*
